2024 IIMA MAKES HISTORIC PARTNERSHIP

The African Church NOW STANDS as the Light that will Ignite Revival Throughout All the World

IIMA SIGNS HISTORIC MEMORANDUM OF UNDERSTANDING (MOU) WITH THE SHEPHERDS FOLD OF CLERGY & BISHOPS NETWORK (SFCBN)

The month of November was an exciting month for IIMA! By God's grace and favor, we have partnered with Archbishop CC Charles and the Shepherds Fold of Clergy and Bishop's Network of Port Harcourt, Nigeria. This world-wide opportunity to collaborate will include collaborating on Revival Programs that reach out to communities, sharing teaching resources or co-ministering during events to maximize impact, participating in our online courses and master classes, promoting the courses within our network to expand outreach, providing local connections to secure cost-effective or free venues when needed, offering skilled personnel such as media professionals or worship leaders, to support our programs, advocating both ministry's mission in our circles, encouraging others to partner or support the vision, and sharing our ministry's updates, events, and initiatives on multiple platforms.
